

# Datavail OACS Accelerator

## Oracle Analytics Cloud Service (OACS) brings the power of a data warehouse solution to the cloud.

Customers can perform complex, strategic BI against their applications – on-premise or cloud-based.

OACS allows customers to perform trend and predictive analysis and opens a whole new area of strategic insight.

# Datavail's OACS Accelerator offers a fixed price, fixed scope deployment that allows customers to take advantage of OACS in a matter of weeks!
